The Summer is closing in, nights drawing in and fields looking bare. We have had a wonderful summer at

Buxhall WI from a Summer party, SARS giving lessons on first aid and being a bystander to Silent Witness. Mary Newton a retired forensic scientist who joined the police in 1979 and retired in 2019. She talked about two well known cases and how they gained the evidence which led to the prosecutions. Sellotape is the key to gaining evidence! An excellent speaker.

Letter from the Rector

In the life of our churches October is the month when we take stock of the activities that took place over the summer – weddings, baptisms, fetes and other fundraising events, and in September, harvest festivals – and then begin to prepare ourselves for what is to come before the end of the year – Remembrance, Advent and finally Christmas.

And as we will be doing in our own gardens at this time of year, we will also be taking time to tidy up our churchyards and churches in preparation for the seasons ahead. On Saturday 11 October at Onehouse church, from 9.00am to 12.00pm, there will be a working party clearing up the churchyard. If you'd like to come along please do, and refreshments will be available. For further details please contact Andrew Sykes on 01449 675834 and, needless to say, all help will be gratefully received!

And on Saturday, 18 October at 11.00am, there will be an opportunity to join an Autumn Walk at Little Finborough church. A guide will lead a walk through the surrounding countryside so that the beauty of the autumn colours can be admired, then back at the church there will be light lunches and hot drinks available in aid of church funds. Do come and join us if you can.

Alongside church buildings, our churchyards are havens for wildlife, plants and trees. They also offer quiet reflective spaces for visitors to spend time with their own thoughts amongst nature, allowing us to stop for a moment in the busyness of our lives and breathe. So if you haven't had an opportunity to explore your local churchyard, perhaps think of popping along for some quiet time and to make the most of the peace and the space.

With blessings

Revd Sarah

Buxhall Parish Council news

Now the weather is changing and nesting season is over, Buxhall Parish Council would like to remind residents of their legal responsibility to maintain hedges adjacent to public roads and pavements. This way we can ensure visibility and accessibility for all road and path users. If neglected hedges become a significant hazard, we will contact the owner or refer the issue to Suffolk Highways for formal action.

There has been a report of dumped garden waste along the footpath running between Mill Road and Brettenham Road. This has been reported to MSDC as unfortunately it's blocking the ditch and parts of the path. All garden waste should be disposed of appropriately – either via your brown bin or a trip to the waste recycling centre. Even garden waste counts as fly tipping!

Thank you,

Rachel Belcher-Nairn
Buxhall Parish Clerk

Great Finborough and District Garden Club

The new Garden Club year 2025/26 has now officially started, with the Annual General Meeting held on 11 September. The Chairman's report reviewed the past year which included a variety of talks for members, a Christmas wreath-making workshop, our highly successful Open Gardens and our summer members' BBQ.

The Chair offered thanks to Mary Smyth, who has now stepped down from the committee, for her continued hard work in making the club a success. Mary has been involved in the Club from the beginning and her continued support has been invaluable and is much appreciated by the committee.

Ann Basey-Fisher has resigned her role as Membership Secretary and she was thanked for her contribution to keeping the membership list up to date and for her involvement in supporting all our events.

We welcomed Amanda Braham whose position as a new committee member was confirmed at the meeting. The other members of the committee remain in post, with Peter Turner having being re-elected as chair.

Members are reminded that subscriptions for the year 2025/26 are now due, at £20.00 per household for members and £5 for guests at our meetings.

Following the formal part of the evening we listened to an interesting talk from Spencer Campbell about supporting British Farmers. Spencer lives in Great Finborough and talked not just about the challenges of farming but also about how farmers do much more than just grow crops. Spencer's talk was engaging and gave us all things to think about.

Our meeting wouldn't be complete without some food and so we concluded with a celebration of the British apple. What better way to do this than to taste some apple-based treats.

The next meeting will be on 9 October at 7.30 pm

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. For further information contact: Cath Walker on 07843 191101 or cathwalker85@gmail.com.

Buxhall Village Show

As one of our visitors commented, "A good traditional produce show with a lovely atmosphere." The BCC would therefore like to extend a special thank you to the exhibitors, judges, Buxhall WI, our volunteers, our composting exhibitor, everyone who donated prizes and all our visitors for helping to make the event a success. It was good to see so many of our visitors stay to experience the full afternoon of viewing the exhibits, enjoying afternoon tea and cake followed by the finale of the presentation of awards, auction and raffle draw.

We are delighted that the entry numbers and individual exhibits continue to increase year on year, facts we thought you'd like us to share with you.

Stowmarket Striders September Update

From Summer Trails to Autumn Races: Exciting Things Ahead

Autumn has officially arrived, bringing with it the close of our summer trail runs. This season's trails were a great success, with old favourites returning alongside brand-new routes. A big thank you to everyone who hosted, walked, and ran the routes - you've helped raise an amazing £700 for our three chosen charities. To round off this year's trail runs, we held a presentation evening where the club presented cheques to Café on the Rec, Stowmarket Food Bank, and Red Rose Community Farm.

The club is now busy preparing for a whole host of activities, including our Scenic Seven race on Remembrance Sunday, the upcoming cross-country season, and the epic Hereward Relay - a firm club favourite team event. On top of that, we're also working on a brand-new 10k route to accompany our March half-marathon, starting from Stowupland. Keep an eye out for more news on this soon! For anyone considering the Scenic Seven, you'll need to be quick - at the time of writing there are only 70 places left, and the race never fails to sell out. For full race details and to enter, visit: stowmarketstriders.org.uk

Finally, a big shout-out to our autumn marathon runners, who are now in the final stages of their training, with races such as the Chester Marathon taking place on 5 October. Good luck to all Striders, and any runners reading this, it's time to trust your training and enjoy the race!

About Stowmarket Striders Running Club: Stowmarket Striders meets year-round on Tuesday and Thursday evenings and holds Sunday morning cross-country sessions during the winter months. The club also organises regular social runs, encouraging members to boost their mental health and well-being through the friendship and fitness benefits of running.

For more details on joining or upcoming events, please visit: stowmarketstriders.org.uk

The Witch Who Couldn't Sleep 19 Oct

We are thrilled to welcome this new Story Time family musical, an amazing follow-up to A Big Egg which our audience loved when it came to us in April.

Based on a story from Steven Lee's best selling "How The Koala Learnt To Hug and Other Australian Fairytales" this gentle, heartwarming show is just what you need to enjoy a cosy, cuddly time together with your family. So pop on your favourite pyjamas and come join us for this enchanting sing-along musical presented with a magical mixture of live action, music and animation.

Perfect for ages 2-102! Audience reviews for A Big Egg:

'It was just right for our young ones, a great show. We all loved it.'

'A most enjoyable afternoon for our grandchildren.'
